Michael Stimpston

Nomination for Life Membership

The Open Morris Committee are pleased to nominate Michael Stimpson for Life Membership.

Michael has served as the JMO Insurance Officer for many years, and in doing so has worked to benefit the Morris Community greatly, knowledgably negotiating and managing insurance renewals across the JMO. He continues to work hard in this role, attending frequent JMO meetings and taking on a substantial annual workload.

In addition, Michael stepped in to act as Chair at OM's EGM when this was needed in 2016, supporting OM at a difficult time. He has been a member through Phoenix Morris for many years, making him eligible for our Life Membership category.
