

Open Morris Secretary's Report

During the past year in my post of Open Morris secretary my duties have been to support the other Open Morris committee members in their roles. This has been done remotely as the committee is now spread throughout the country. We are working on having one face to face meeting a year going forward. My main tasks over the previous year have been:

- I have attended and minuted meetings of the Open Morris committee and Open Morris officials.
- I have helped with the AGM, producing the minutes for last year's meeting and am helping to organise this year's meeting.
- I have attended a meeting about next year's JMO Day of dance to be hosted by Beltane Morris in Exeter.
- I attended the JMO's day of dance in Liverpool and met some Open Morris members and watched some great dancing.
- I have also manned the Secretary's email account sending and replying to emails.

Hetty Bevington
Open Morris Secretary
